

Dear OTF Supporter,  
Your generous donations and support towards OTF has enabled us to make quality education accessible for many students and we cannot thank you enough for making this possible.  
Let's continue sharing our blessings, keep the spirit of giving alive and together take a step towards giving our youth, equal educational opportunities and a promise of a better future.

PAKISTAN STOCK EXCHANGE LIMITED

Ration pack distribution among OTF registered families sponsored by Pakistan Stock Exchange.

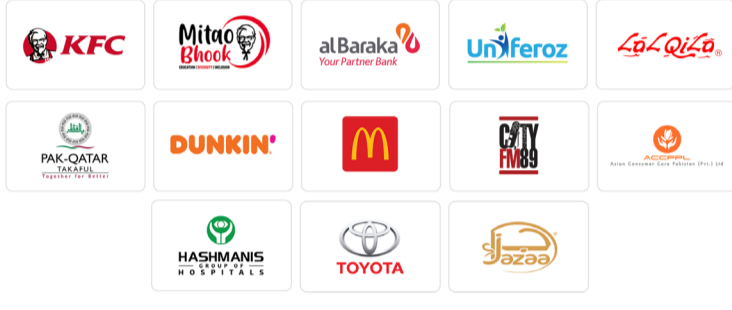

## OTF Funfair 2022

Our annual fundraising event, the OTF Funfair 2022 was powered by KFC and held on the 26th of February. The funfair featured a grand bazaar with lots of retail brands, plenty of food stalls with a variety of options for all and an exclusive kids and games area. Adults and children equally enjoyed the event and left with happy faces.

We thank all of you for making it a success and supporting us to help raise funds for educational scholarships.

A huge shoutout to all our sponsors and supporters for sharing our vision of quality education for all and helping us pull off this event successfully!

## Recent Partnerships

Renewal of partnership between OTF and Indus Valley School of Art and Architecture

Renewal of partnership between OTF and SZABIST

OTF and TCF work together to educate TCF college students

MoU signing between OTF and Dawood Public School

With esteemed schools and colleges under our belt, we aim to uplift our students and support them in their future endeavours.

OTF has partnered with Karachi X Rays & the latter will be offering diagnostic services to OTF beneficiaries at subsidised rates

## K-Electric KHI Award 2

Orange Tree Foundation is the proud recipient of the KHI Award 2022, in the Women Empowerment Category. We are committed to empowering the next leading generation of Pakistan by providing quality healthcare, mainstream education and hands-on training.

Here's to shaping a more equal future!

## Sessions for OTF Beneficiaries

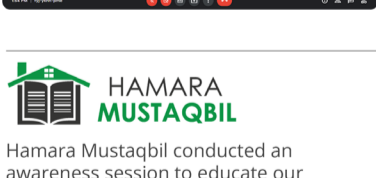

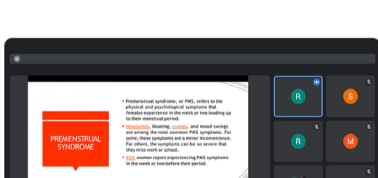

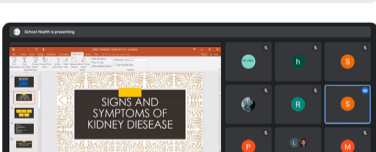

Career Counselling sessions were held for soon-to-graduate OTF Scholars by Ms. Ayesha Waseem

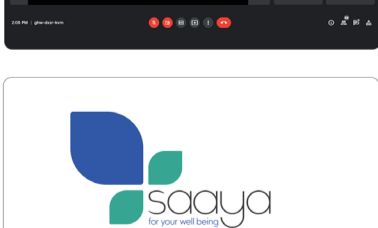

Connect Hear arranged an awareness session for OTF beneficiaries to promote inclusivity in our society.

OTF's healthcare department conducted a kidney health awareness seminar on World Kidney Day for its beneficiaries, led by Dr Sarfaraz Sarwar

HAMARA MUSTAQBIL conducted an awareness session to educate our beneficiaries about Menstrual Hygiene Management

Saaya Health held a virtual workshop for OTF parents on "Fostering Healthy Minds", led by Ms Areej Jaffrani, a Child & Adolescent Psychologist

- A workshop on effective communication was conducted for OTF parents to help them interact with their children's school.
- A workshop was conducted for our O'level students about writing techniques and how to answer questions in their upcoming examinations.
- Ms Novera Dhedhi, an educational psychologist, has recently started remedial classes for OTF Scholars as a volunteer.

Donate to OTF

and let's work together to make quality education a reality for everyone.
