

Dear OTF Supporter,
Thank you for your continued support which allows us to ensure that all deserving students have access to quality education and an opportunity to study at leading institutions of Pakistan.
As we approach our 75th Independence Day, we hope we can free more families from the shackles of financial struggles and empower them to lead better lives by equipping them with quality education and holistic support. To widen our impact, we are proud to share that we have expanded our operations to Punjab.

Here's a glimpse of our first few campus visits

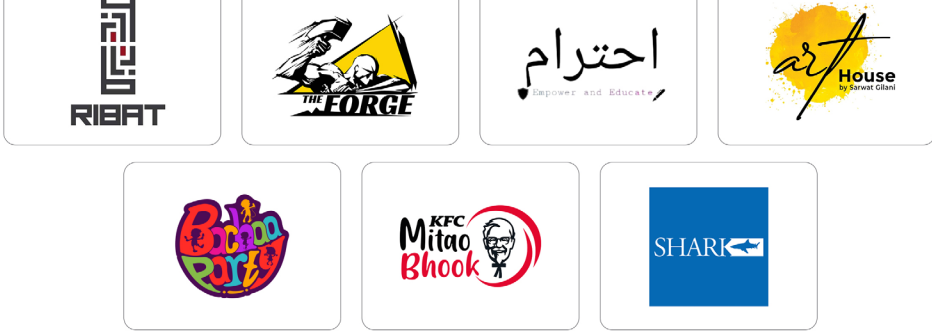

OTF Summer Camp

As part of providing experiential learning to our students, we arranged a summer camp for our young scholars to engage them in a holistic experience that cannot otherwise be found in books. Catch a glance of some of the fun activities conducted for the OTF scholars.

A huge shout out to all our sponsors, partners, and volunteers who were a part of the summer camp. It wouldn't have been possible without their contributions and untiring efforts.

Recent Partnerships

MoU signing between OTF & National University of Computer & Emerging Sciences - (FAST)

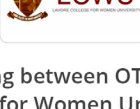

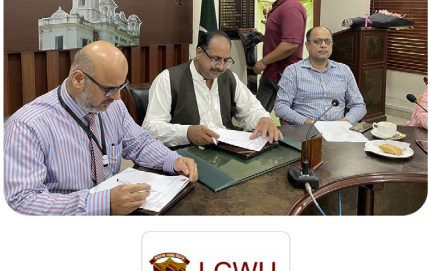

MoU signing between OTF & Karachi Down Syndrome Program

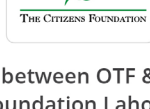

MoU signing between OTF & Crescent Model Higher Secondary School

MoU signing between OTF & Forman Christian College Lahore

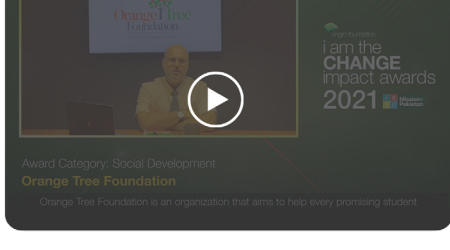

MoU signing between OTF & Lahore College for Women University

MoU signing between OTF & The Citizens Foundation Lahore

IATC Award

We are super excited to share that we are the proud runner ups of the I Am the Change Award 2021. We are grateful to Engro Corporation for recognizing our efforts in the social development category. Such awards and recognitions are a source of great motivation for us and encourage us to continue our efforts towards making quality education accessible to all.

Cataract Awareness Month & Eye Screening Camp

In a bid to raise awareness for one of the leading causes of treatable vision loss, cataract, the OTF healthcare department collaborated with Hashmani's Group of Hospitals to conduct an eye camp for 180 OTF beneficiaries. Through this eye camp, our beneficiaries were able to avail free of cost eye tests and consultations.

Hepatitis-B Vaccination Camp

As part of OTF's vision of working towards a healthier, and safer community for everyone. OTF, in collaboration with The Health Foundation set up a Hepatitis vaccination camp to raise awareness about Hepatitis B, wherein, 160 students and parents received their first dose of Hepatitis B vaccine.

Handicrafts at PITH

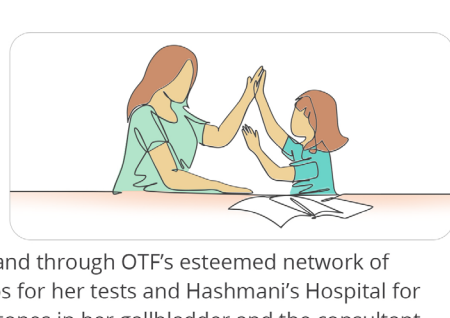

Our exclusive handicrafts designed by NISA artists are now being stocked at PITH Phase 6, DHA, Karachi. Nisa is a women empowerment initiative under the umbrella of OTF, wherein, women are provided with workshops and assistance to enable them to make handicrafts and start their entrepreneurial journey. Drop by and show your support!

Success Stories

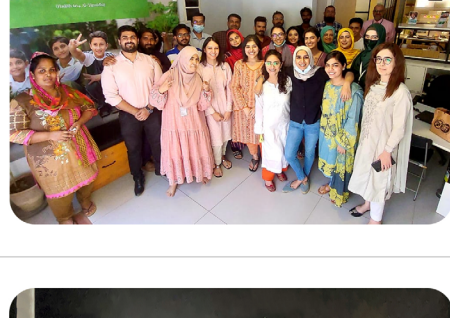

ZH, a single mother, has four children studying under the umbrella of OTF Scholarship Program. Two years ago she felt severe pain in her stomach while she had contracted COVID19. She assumed that the pain was due to COVID19, however, even after she recovered from the virus, the pain persisted.

ZH approached the OTF healthcare department and through OTF's esteemed network of healthcare institutes ZH was referred to Essa Labs for her tests and Hashmani's Hospital for her consultation. It was discovered that ZH has stones in her gallbladder and the consultant advised her to undergo a Laparoscopy, which was successfully conducted through the support of our generous donors. She also receives a monthly stipend from OTF to help her with day to day expenses.

Team Building

OTF believes in having an open collaborative work environment where employees are encouraged to engage with each other and have fun along with their work schedules. To infuse dynamism and some fun at our workplace, we organized a one-dish lunch party for everyone. We hope that all of us can continue to work together, with the same enthusiasm and passion for the same cause of making quality education accessible to all.

We look forward to your continued support!
Wishing you a hearty and happy Independence Day!
